Dear parents,

As you aware a Book Grant has been given to schools, by the Department of Education, to purchase books and copies for each child. The books will be rented out to children (no cost) and are to be returned to the school at the end of the school year.

The items below are not included in the grant scheme and we request that payments are made to the school or purchased separately, as indicated below.

Should you have any queries, please do not hesitate to contact us.

Mary Manley (Principal)

PLEASE ENSURE THAT YOUR CHILD HAS THE FOLLOWING IN SCHOOL- THESE ITEMS CAN BE RETAINED FROM 3RD TO 6TH CLASS

I would appreciate if 4th class children would donate their current **English reader** to the school for use by next year's class, if at all possible. This would reduce costs to the school somewhat.

Thank you, M Manley
