## 6<sup>th</sup> Class – List of Equipment and Other Subscriptions

2026-2027

Dear Parents/Guardians,

As you are aware, a Book Grant has been given to schools, by the Department of Education and Youth, to purchase textbooks, workbooks and copies for each child. The books will be given out to children (at no additional cost) at the start of the school year. These books (not including workbooks) are to be returned to the school at the end of the school year in good condition.

The items below are not included in the grant scheme and we request that payment is made to the school via an Aladdin payment link, which will be shared with you.

Additionally, we request that parents purchase the items on the stationery list below. Please ensure that your child has this stationery for the start of the new school year.

Should you have any queries, please do not hesitate to contact us.

Kind regards,

Dominic Tyrrell (Principal)
